

Bryant Woods Elementary School

PROFILE

5450 Blue Heron Lane • Columbia, MD 21044 • 410-313-6859 • bwes.hcpss.org/

The vision of Bryant Woods Elementary School is to have a culture of opportunity where excellence is achieved for every student, no matter where they are in their educational journey. With this vision in mind, staff are committed to showing care, listening, connecting/communicating with families, continuously learning, and leading with the lens of equity.

BWES staff show care through building strong, positive relationships with students, parents, guardians and community members. The PBIS (Positive Behavioral Incentives and Supports) program at BWES incorporates restorative practices and awareness of the social emotional needs of students. Staff at BWES believe that a child's first teacher is their parent/guardian; therefore, connecting and communicating with families is a priority. Feedback from all stakeholders is regularly solicited in order to create a well-rounded learning experience for students. The staff at BWES also work to engage and assist families by linking them with appropriate resources in and outside of the school.

Students are expected to be lifelong learners and staff model this through regularly engaging in job-embedded professional learning opportunities. Teachers lead with equity and believe that no matter what a student's background, language, race, economic profile, gender, learning capability, disability or family history, each student has the opportunity to get the support and resources they need to achieve their educational goals.

Students at BWES can proudly recite the Bear Chant each morning as a reminder of what they are capable of: *"I am somebody, I was somebody when I came, and I will be a better somebody when I leave. I am powerful, I am strong, and I deserve the education that I get here. I have things to do, people to impress, places to go, I am a scholar, go ahead and watch me grow!"*
