Elkridge Elementary School strives for excellence in teaching and learning by providing a strong academic program, ongoing recognition of student progress, interesting extracurricular activities, community involvement, and a safe, orderly school environment.

Our strong academic program is guided by our School Improvement Team. Learning outcomes emphasize critical thinking skills as well as content mastery. We celebrate students’ progress. Students who are "on track to ELKcellence" for following the “Big 6” are rewarded every week with Track Star Medals. The “Big 6” includes demonstrating respect, responsibility, safety, perseverance, collaboration and initiative. Our quarterly award ceremonies recognize honor roll students and students who have earned special awards throughout the marking period.

Student needs and interests are met through Gifted and Talented programs, ESOL (English for Speakers of Other Languages), and Special Education services. Related arts programs include art, general music, media, physical education and technology.

Our celebrated traditions include our annual October Vocabulary Parade, Grandparents and Special Person’s Day, The Turkey Trot, concerts and musicals. In addition, our Holiday Sing Along is a highlight of the second quarter. Our spring traditions include Night of ELKcellence and Field Day.

Our school is linked closely to the community. We have an active PTA and strong parent volunteer network. PTA events include Elkster 5K, Fall Festival, Donuts with Dad, Muffins with Mom, and Spring Fling, to name a few. We invite you to visit our school calendar for upcoming events.
