Fulton Elementary School's commitment to providing a rich, rigorous and inclusive education for all students is evident as you walk through the halls.

Along with Fulton's strong academic program, every student in grades K-5 receives high quality instruction in art, music, physical education, media, and technology.. FES happily serves their youngest learners (3-5 years old) through their Regional Early Childhood Center (RECC). Fulton has a strong partnership with Cedar Lane School. Staff and students from both schools are provided with rich inclusion experiences throughout the year, which models empathy for one another.

A crucial component in Fulton's success is the tremendous involvement of the PTA and community. These partnerships strongly support the success of every student and the efforts of all staff.

Fulton's staff consists of talented, caring, engaged professionals who are honored to serve students daily. The staff prides themselves on creating relationships that encourage an active partnership with students and their families.
