Fulton Elementary School celebrates a long-standing tradition of academic excellence. Partnering with students, staff, families and the community, Fulton cultivates a vibrant and highly effective learning environment for each and every student. The social emotional well-being of all students is supported through an inclusive, caring environment where diversity is highly valued.

Fulton Elementary School’s commitment to providing a rich, rigorous and inclusive education for all students is evident as you walk through the halls. Along with Fulton’s strong academic program, every student in grades K-5 receives high quality instruction in art, music, physical education, media, and technology. FES is the home to a regional special education program for students with emotional disabilities and other behavior-related disabilities. FES happily serves our youngest learners through our preschool and pre-kindergarten programs. Fulton has a strong inclusive partnership with Cedar Lane School. Staff and students from both schools are provided with rich inclusion experiences throughout the year, which models care and respect for one another.

A crucial component in Fulton’s success is the tremendous involvement of the PTA and community. These partnerships strongly support the success of every student and the efforts of all staff.

Fulton’s staff consists of talented, caring, engaged professionals who are honored to serve students daily. The staff prides themselves on creating relationships that encourage an active partnership with students and their families.

Fulton is a safe and welcoming place for all. They celebrate diversity and believe that when combined, individual differences make them stronger which develops a solid foundation for future learning.

The Ties that Bind Us Together
