Welcome to Gorman Crossing Elementary School! This school year, the school has an enrollment of nearly 800 students in PreK through Grade five, and we are excited to see the school’s population grow.

Gorman Crossing students’ needs and interests are met through Gifted and Talented programs, ESOL (English for Speakers of Other Languages), and Special Education services provided at each grade level. All students have the opportunity to participate in the school’s flourishing Related Arts programs, which include Chorus, Band, Strings, Art, Physical Education, and Drama! At Gorman Crossing, there is a place for every student to shine!

At Gorman Crossing Elementary, we have developed a strong collaborative relationship between staff, students, and parents. All staff believe they must maintain a partnership among all parties to enable all students to reach their fullest potential. Staff work with the school’s PTA to host Family Nights and Cultural Arts events. The GCES community works together to develop a sound educational program that promotes academic excellence.

Gorman Crossing embraces the vision of HCPSS. Here, every student and staff member embraces diversity and possesses the skills, knowledge and confidence to positively influence the larger community. We all BELONG at Gorman Crossing!
