Hammond Elementary School is home to over 600 students who are striving to become college and career ready! Our staff is committed to providing a safe and nurturing learning environment that fosters belonging and individual success through academic excellence and an appreciation of diversity.

Staff maximizes instructional time with multi-level student groups that aim to provide acceleration opportunities for all students. Hammond staff believes in promoting a growth mindset in both students and staff in order to support a culture of continual improvement within all aspects of the school day. Our praise of students focuses on the processes (effort, work ethic, and persistence) rather than the final outcome or result. Our professional learning as a staff targets strategies for increasing opportunities for student led learning, thus incorporating Student Voice in multiple ways throughout their educational program.

Our PTA is an essential partnership that consistently supports our students and staff. Our PTA sponsors many events, such as Family Restaurant Nights, the Annual Fall Festival, Family FIT Night, the HES Talent Show, and Multicultural Night, just to name a few.
