Lisbon Elementary School has one of the oldest and proudest traditions in Howard County. We support the school system’s mission of ensuring the academic success and social-emotional well-being of all students in an inclusive and nurturing environment. With our top priority on students and their education, our staff and parents team together to support children in reaching their goals and dreams.

Our School Improvement Plan reflects the focus of preparing staff with the information, technology and resources to empower a new generation of learners. At Lisbon, students are presented the opportunities to: learn and apply rigorous integrated content, interpret information and communicate proficiently; engage in problem solving and inquiry based learning, engage in logical reasoning and creative thinking/expression, learn through independence and collaboration, and apply technology and tools strategically. In addition to academics, we emphasize the importance of a positive learning culture as embedded in the Positive Behavioral Interventions and Supports (PBIS) model. In student-friendly language, PBIS is known as ROAR, (Respect, Organized, Always Safe, and Responsible).

The school's PTA is extremely supportive of our school mission and goals. There are many opportunities for parents to join committees or volunteer with classroom and family-fun activities. Our PTA plans fun-filled events such as our Back-to-School Snowball Social, Fall Festival, S.T.E.M Night, and International Night.
