Northfield Elementary is a positive and happy learning community where all stakeholders are valued, supported, and loved.

Since opening in 1968, Northfield Elementary has been committed to excellence. It is our mission to have a community where we create a positive and happy learning environment and all stakeholders feel valued, supported, and loved. Our goal is that every day, all students are engaged in rigorous learning tasks that give them the opportunity to explore, ask questions, discuss, think critically, and problem solve. We hope Northfield students end each day excited about what they learned. Northfield teachers find innovative ways to support students’ natural curiosity and make learning fun and engaging.

Northfield is committed to ensuring the academic success and social-emotional well-being for each student in an inclusive and nurturing school environment that embraces diversity. We support each child to reach individual milestones for success. Therefore, we focus on teaching and modeling a growth mindset in order for students to know that productive struggle and taking healthy risks are a natural part of learning. These practices are valuable when we need to encourage our students to engage in productive struggle while learning to build perseverance.

Northfield has a strong PTA partnership that enables us to provide our students with many additional programs, such as STEM, wellness, family fun, resident artist, and cultural arts events. Our PTA is invested in partnering with the school to enhance our wonderful learning environment.

At Northfield we are respectful, responsible, ready to learn, and act with integrity at all times. We emphasize working hard and being kind.
### Academic Achievement

#### NES Performance on State Tests*

<table>
<thead>
<tr>
<th>Measure</th>
<th>FY18 Results</th>
<th>FY19 Results</th>
</tr>
</thead>
<tbody>
<tr>
<td>Percent Proficient Mathematics</td>
<td>62.2%</td>
<td>63.3%</td>
</tr>
<tr>
<td>Percent Proficient English Language Arts</td>
<td>60.3%</td>
<td>70.4%</td>
</tr>
<tr>
<td>Percent Proficient Science</td>
<td>58.2%</td>
<td></td>
