Talbott Springs Elementary is a community school located in the Oakland Mills area of Columbia. TSES has a history of valuing the learning needs of each individual child in a culturally diverse and welcoming school environment. TSES is committed to a vision of educating children with innovative and thoughtful educational programming that fosters the values of student voice, empathy, inspiration and the provision of a strong sense of belonging. The highly qualified teaching staff members are dedicated to professional learning as a means to ensure that each child is provided with access to rigorous instruction and learning opportunities within the strengths and abilities that he or she brings to our school.

In consideration of the HCPSS Strategic Call to Action, Learning and Leading with Equity, the staff of Talbott Springs is fully invested in the vision and mission of our school system. The provision of a safe and inclusive learning environment that values and respects the unique learning approach of each child is our commitment and our ultimate goal.

In partnership with our families, students in Pre-Kindergarten through Grade 5 are nurtured as we work together to guide children through each developmental and instructional level maintaining an open

In each instructional area of a child’s day at school, it is our passion and daily commitment to address opportunity and performance gaps that impact learning for each child. In addition, TSES aims to promote the gifts that each child brings to our school by seeking, identifying and growing talent. We celebrate the engagement, effort and successes of TSES students!

Talbott Springs Elementary appreciates the contributions of our PTA, volunteers and business partners. We welcome you to visit Talbott Springs Elementary!
