Veterans Elementary School opened in August, 2007. The school mascot is the eagle and the school colors are red, white and blue. Our school mascot's name is Spirit.

The goal of VES’s school program is to support the county's Learning and Leading with Equity initiative. The School Improvement Team determines the focus of the school program based on relevant data.

The staff at Veterans Elementary is committed to providing many learning opportunities for children. They create an environment that encourages in all students high self-esteem, development of effective and creative problem-solving skills, and a challenge to reach their fullest potential.

Veterans Elementary School has a large number of ESOL students and is very proud of its diverse student population. Staff members are also proud of the extensive extracurricular programs offered to students. VES has one of the largest elementary band and orchestra programs in the county.

Veterans Elementary is fortunate to have an active PTA that provides many additional programs and services to students. Parent volunteers assist staff in a number of different ways to help ensure success for every student. Veterans Elementary School and its vibrant community are creating an inclusive educational environment where all students can learn and be successful.
