The staff, students, and parents of Waverly Elementary School are proud of the school's tradition of academic excellence and utilizing exemplary practices to ensure student success. The importance of developing an inclusive and nurturing environment in which all students thrive is strongly valued. The staff’s focus on academic achievement and social-emotional well-being of each student is reflected in the school’s PBIS (Positive Behavioral Interventions and Supports) program. Waverly is a diverse learning community of students, staff and families committed to our ROAR rules: Respectful…Others included…Always safe…and Responsible. The school is pleased to offer students in Grades 4 and 5 the opportunity to participate in Kid Council, engaging in leadership activities that support school wide initiatives and activities. Additionally, new to Waverly students are welcomed as members of the “Welcome Wildcat” group to help ease their transition to the school.

The school’s strong partnership with parents contributes greatly to the success of its students. Waverly is deeply enriched by the level of community involvement. Their PTA boasts several hundred members, and actively supports many programs in both the related arts and academic areas of the curriculum.

Waverly’s incredible building expansion and renovation has set the tone for a beautiful learning environment. The sparkling new look provides the perfect setting as staff work together to build success for all Waverly Elementary School students!
