West Friendship Elementary School's mission is for every student to be inspired to learn and empowered to excel. WFES offers an inspiring, engaging and supportive environment to cultivate a learning community that prepares children to thrive in a dynamic and diverse world.

"I am respectful, I am responsible, I am ready to learn. I will always be a friend at West Friendship!" These are the ideals students proudly demonstrate on a daily basis, creating a close community of learners. WFES staff provides personal attention, encouragement, and consistent support to foster perseverance and creative/critical thinking. Staff work to develop risk-taking, stamina, and deep-thinking that successful students demonstrate when encountering challenges or unfamiliar topics. In addition to rigorous and engaging academic activities, staff are committed to educating the whole child and ensuring that every child feels a sense of belonging at WFES. Students participate in daily social-emotional learning, which includes community building activities and class meetings. Staff teach and positively reinforce students to be respectful, responsible, caring and to show integrity.

The WFES PTA is a collaborative partner, providing support to school programs. Parents serve on committees and support cultural arts, parent education workshops, family fun nights, green school awareness, community drives, staff appreciation, and much more.

WFES is committed to ensuring the academic success and social-emotional well-being for each student in an inclusive and nurturing school environment that embraces diversity.
