

Worthington Elementary School

PROFILE

4570 Roundhill Road • Ellicott City, MD 21043 • 410-313-2825 • wes.hcps.org/

Worthington Elementary is a school where students, staff and the community are committed to ensuring the academic success and social-emotional well-being of each student. Worthington is aligned with the HCPSS **Strategic Call to Action** focusing on the following outcomes:

- Curriculum is based on standards and best practices, implemented with fidelity, and aligned with meaningful assessments that provide actionable data for instructional planning.
- Each and every student receives a high-quality education through access to individualized instruction, challenges, supports and opportunities.
- Students' mental health and social-emotional learning are nurtured through skill development, collaborative dialogue and a restorative culture in our classrooms and community.

Worthington staff implement a comprehensive, balanced language arts program emphasizing a meaning-centered learning approach through literature, comprehension, writing, phonics, spelling, vocabulary development and grammar. In mathematics, implementation of rigorous instruction emphasizes problem-based learning tasks that promote reasoning and problem-solving.

Staff use data to inform instruction and identify students' needs for enrichment or intervention. Staff participate in ongoing data discussions to analyze student work and implement flexible groupings to address the individual strengths or needs of each student.

Our "PAWS" Program, in alignment with Positive Behavioral Interventions and Supports Program, encourages students to follow the expectations of *Being Prepared, Always Kind, Working Hard and Safe*. We strive to create a safe, nurturing and supportive environment for optimal learning.

Worthington has a strong PTA partnership. The PTA provides many additional opportunities for students, such as family events, wellness activities, after school clubs, and cultural arts programs. Worthington appreciates the contributions of the PTA, volunteers and business partners.

Worthington takes pride in preparing students to be global citizens in a diverse and changing world.

Fast Facts

Facility opened: 1976
