Reaching Excellence Together

For over 20 years, Long Reach High School (LRHS) has served an economically and culturally diverse population from a wide variety of highly supportive and involved communities, including the planned community of Columbia.

We provide a comprehensive high school program that includes a variety of core courses and electives that prepare students for college, the business world, and a wide selection of technological fields. In addition, LRHS offers special programs that include, but are not limited to, Advanced Placement courses, Project Lead the Way, and the Reach (freshman) Academy.

The Long Reach High School slogan is 'REACH'...Respect–Excellence–Achievement–Character–Honor, which the Long Reach High School learning community of students, teachers and parents strive for in continuous improvement. The school's staff is known for its dedication, caring attitude, effectiveness, and collaborative nature. We welcome and encourage our community members to become involved in our school programs and activities, of which we are truly proud.

Long Reach uses a 7-credit, year-long semester scheduling model in which classes are approximately 50 minutes long. Period 4 is 110 minutes long and alternates between A and B day, allowing students to earn 7 credits in a 6-period day.
