River Hill High School is recognized nationally and internationally. Niche.com has named River Hill High as a top public high school in the Baltimore Area. Also, River Hill received a 5-star rating on the Maryland School Report Card. Student participation in the advanced placement program and National Merit recognition also place our school among the top high schools in the nation. The student population is culturally diverse with a majority of the students enrolled in college preparatory, STEM, world language, and fine arts courses. RHHS is home to the JumpStart partnership between HCPSS and HCC, which offers students the opportunity to earn credits for graduation as well as college credits in English, mathematics, history, business, world language and education.

School improvement is an ongoing commitment to the Strategic Call to Action and the overarching commitments (value, achieve, connect, and empower) are at the core of school improvement. RHHS focuses its core values on Hawk PRIDE: Persistence and Passion, Respect and Responsibility, Innovation and Integrity, Determination and Dedication, and Excellence and Empathy for Everyone.

Several honor society chapters co-exist as part of the RHHS community as well as service networks and leadership organizations. PAC, Principal Advisory Council, promotes student leadership and student voice to identify student needs, concerns and actions in order to make RHHS better and better every day. Athletics and activities support vibrant and spirited student life. For some, the extracurricular experience is an extension of the classroom, as students apply their learning in real-world endeavors. For others, it is a chance to explore interests that extend beyond the classroom. For all, balanced participation in academics, athletics, and activities makes for an outstanding high school experience.
State tests were not administered in FY20 due to the pandemic.
