Wilde Lake High School (WLHS), in the heart of Howard County, is recognized each year as one of the top high schools in the state of Maryland. Wilde Lake is guided by the Wildecat Way, including a focus on family and community (‘Ohana), Equitable Learning Communities, and helping every student to Find Your Purpose and Create Your Path after graduation. More than 72 countries are represented by the student body, and the students bring with them a rich mixture of cultures and talents that create a global school community.

WLHS students engage with rigorous curriculum at all levels, including a wide variety of Advanced Placement and Gifted and Talented courses, Career Academies, Dual Enrollment classes in partnership with Howard Community College, English Language and Special Education programs. Wilde Lake High School’s educational programs are grounded in equity and inclusion in order to eliminate opportunity and achievement gaps. Staff members collaborate to use culturally relevant teaching practices that require students to think, read, and write critically across all content areas.

WLHS is built on restorative philosophies and practices, inside and outside the classroom. Wilde Lake is a member of the Restorative Justice Cohort in partnership with HCPSS and the Howard County Education Association. WLHS has received Gold recognition for multiple years from the Maryland State Department of Education for our character education program. The Ninth Grade Interdisciplinary Team implements transitional activities for incoming ninth grade students to support academic and social-emotional success. Students engage in community-building activities in each of their classes and Advisory which ensure they are prepared for intellectually engaging learning experiences.

Wilde Lake’s excellent academic achievements are complemented by its internationally-recognized performing and visual arts programs that have sent numerous graduates to university programs and professional careers in the arts. Our outstanding coaches and student-athletes have won more than 150 county and regional championships and 23 state championships in 28 sports.
