

Folly Quarter Middle School

PROFILE

13500 Triadelphia Road • Ellicott City, MD 21042 • 410-313-1506 • fqms.hcpss.org/

The Folly Quarter Middle School faculty is dedicated to working together with our larger learning community to ensure that all of our students actively engage in learning, meet success, and are fully prepared for a positive future. To accomplish this critical mission, we strive daily to create an exemplary middle school by continuously improving the quality of teaching and learning.

As a learning community of students, parents, and staff, we are dedicated to creating a positive school climate—one where individuals feel respected, cared for, and valued. We want to instill that all members of the school community demonstrate respect, fairness, and kindness in their interactions, as well as build healthy relationships that are free from harassment and discrimination.

We are very proud of the fact that our work has been so successful! We are delighted that Folly Quarter has been recognized as a Maryland Blue Ribbon School and a National Blue Ribbon School. Additionally, FQMS was also named the 12th Best Middle School in the USA by TheBestSchools.org and the 3rd best middle school in the state of Maryland by Niche.org.

In spite of these wonderful accolades, we recognize that the road to success is always under construction. As a result, individual staff members and teams of teachers are constantly engaged in improvement planning processes and reflective exercises to ensure that Folly Quarter provides each student with a solid foundation. Our excellent teachers strive daily to ensure that students are ready and prepared as they work to reach their full potential.
