Hammond Middle School has exemplified excellence in education for almost 50 years. HMS was recognized by the Maryland State Department of Education as a Maryland Blue Ribbon School of Excellence in 2008 for accelerating student achievement and improved student performance on the Maryland State Assessments. HMS was also selected as a 2009 National Blue Ribbon School of Excellence by the U.S. Department of Education.

Established in 1971, the school is an 86,000 square foot facility on 35 acres located in north Laurel. The community is very stable and well established. The school and community share the same positive characteristics and are united in a very effective partnership that is reflected in the mission statement.

Hammond Middle School consistently looks for approaches to serve the student population and address areas of equity and student voice. To address areas of equity, HMS has implemented mentoring groups through partnering with community organizations. To address student voice, the implementation of Viking Voice (SGA) provides students with the opportunity to have an impact on decision-making.

Although Hammond Middle serves its students and community well, we are not content to maintain the status quo. To prepare students to participate in a diverse and challenging world, we continue to provide equally diverse and challenging instructional programs.

**Fast Facts**

**Facility opened:** 1971

**Additions/Renovations**
1989 (R/A), 1997 (A), 2007 (R), 2011 (R/A)
