Lake Elkhorn Middle School originally opened its doors in 1976, serving the community as Owen Brown Middle School. In August 2011, Lake Elkhorn Middle opened its doors as the LEMS Eagles.

At Lake Elkhorn Middle School, students are inspired to persevere and empowered to reach their full potential. As a community school, Lake Elkhorn Middle School provides a supportive learning environment, builds positive relationships, and engages students in rigorous instruction to ensure college and career readiness. Our vision parallels the Howard County Public School System's Strategic Call to Action, Learning and Leading with Equity, as we embrace diversity and ensure the academic successes and social-emotional well-being of each of our students.

Our students are challenged every day with classroom experiences and a variety of other opportunities, including performing arts, STEAM (science, technology, engineering, arts and mathematics) activities, Gifted and Talented seminars, Beyond the School Hours, Academic and Athletic intramurals, and partnerships that support mentoring for our students and parents. The PBIS (Positive Behavioral Interventions and Supports) program and our advisory program provide students and teachers the opportunity to establish relationships, encourage student voice, and collaborate on academic goal setting. Lake Elkhorn students are recognized for academic achievement and positive behaviors through our PRIDE (Perseverance, Respect, Integrity, Dependability, Excellence) program.

We believe collaborative partnerships with staff, students, parents and community members are critical to student achievement. We invite parents, family members and mentors to partner with us to support our school community.

**Fast Facts**

**Facility opened:** 1976

**Additions/Renovations**
2002 (R)

**School Capacity:** 643
(This does not include additional capacity provided by a portable classroom.)
