Summer Programs Payment Instructions

Payments will only be accepted for students who have been enrolled in a course or program (not on a waitlist). Once enrolled, you will receive an invoice from MySchoolBucks outlining the program/course fees for each student.

You DO NOT have to make payment through MySchoolBucks - there are three methods of payment for program/course fees: on-site, by mail, or online. If you have any questions, please contact the Summer Programs administrator for the summer program in which the student is enrolled.
